

Key Indicator- 6.1 Institutional Vision and Leadership

Matric No. 6.1.1

The governance of the institution is reflective of and in tune with the vision and mission of the institution

Rajaram College, Kolhapur is a seat of higher education which shapes the personality and future of students through quality education. The college has a rich and glorious tradition of 140 years. The college is committed to catering to the needs of the students from all strata of the society. The quality policy and goals of the college have been developed in view of the educational policies of the Government of Maharashtra and the vision and mission of the college.

Vision:

Rajaram college works with the vision of 'Quality education for personality and for nationality'.

Mission:

- To impart quality education to students from all strata of society
- To create and to stimulate a conducive academic atmosphere for higher education
- To ensure values like truth, honesty, character and sacrifice among the students by sensitizing them to various issues and problems of the society
- To make them competent global citizens aware of new technologies and scientific temper

Goals:

- Promoting participative and collaborative learning.
- Boosting research culture through incubation cell.
- Offering value added, skill-based courses and add on courses.
- Providing value-based education by organizing various social and extension activities.
- Using ICT resources for effective teaching-learning process.
- Providing continuous mentoring to all the students.
- Augmentation of existing infrastructure to meet new global standards.
- Development of eco-friendly campus.

The day-to-day functioning of the college is based on active engagement of all the stakeholders. Much care is taken by the Principal, IQAC, Department heads and various committees of the college to uphold the vision and mission of the institution and also implement them

effectively. To meet the global standards, the policies of the college are reviewed and reframed from time to time considering the feedback of all the stakeholders.

Following measures have been taken which reflect the vision and mission of the college.

- IQAC arranges workshops, seminars and conferences related to crucial issues like research sensitisation, use of ICT tools, gender sensitisation, IPR-Patenting, renewable energy, sustainable development of society, etc.
- Value education is imparted to the students by organising various activities like educative talks, expert lectures, poster competitions, debates, rallies, and celebrating commemorative and national days.
- Apart from routine academic activities, the students are trained in diverse fields with the collaboration of renowned national and international institutes like TCS, IIT –Delhi, IIT-Powai, COUSERA campus and IIRS –ISRO Dehradun
- Career and personality development of students through competitive examination guidance centre, soft-skills development program and the activities of N.S.S and N.C.C.
- The college has created conducive academic and research environment that fosters scientific temperament through activities of various clubs and associations as well as incubation centre.
- Overall personality of the students is developed through activities like stress management workshops, health awareness camps, sustained mentor-mentee mechanism, direct exposure to research institutes and industries, cultural and sports activities.
- Infrastructure of the college is continuously augmented by procuring grants from various funding agencies like RUSA, DPDC, State plan.
- Green initiatives like oxygen park, rain water harvesting, use of renewable energy, effective waste management by composting are taken for creating eco-friendly campus.
